If you enjoy the sun, the sand, and the surf, then Rose Bay is the RV resort for you. Located near the gleaming white beaches of Volusia County, Rose Bay's convenient location puts tons of fun within your reach!

The local waters around here feature some of the best ocean fishing found anywhere. Blue Marlin are found in the Gulf Stream. Closer to shore, Sailfish, Dolphin, Wahoo and Tuna are eager to accommodate you.

Fish within the resort, or hop over to Daytona Beach and catch a deep-sea fishing charter, you'll have plenty of fish tales to share.

After a day of catching the big one, relax in our sparkling pool, or take advantage of our full schedule of year-round activities.
